

Bond Calculator short cut set-up for Samsung smartphones or tablets:

The following steps will assist you to add the Bond Calculator to the home screen of a Samsung smartphone or tablet. This will give the Bond Calculator the functionality of an app and create a direct shortcut on the home page of any of these devices.

Step 1:

Load the Bond Calculator url (website address) onto the Samsung smartphone or tablet browser.

The Bond Calculator landing page will appear in your browser.

Example:

<http://www.lawfirm.bondcalculatoronline.co.za/>
(*Replace *lawfirm* in the URL with the name of the firm)

Step 2:

Click on the “Menu” icon to the right of the browser.
A drop-down menu will appear on the right of the screen.

Step 3:

Click on the Add to Home Screen link in the drop-down menu.

Step 4:

Return to the home screen of the Samsung smartphone or tablet to check if the shortcut has been added to your Home Screen.
